# WELCOME TO THE DARTMOUTH CLASSIC WEEKEND 2016

## To our Classic Yacht Competitors

In the 150th anniversary year of the Royal Dart Yacht Club and continuing the success of the 2014 event we have a full programme for a great Classic Weekend in July 2016.

On Friday the 8th of July we hope to welcome as many competitors as possible to a reception in the Royal Dart Yacht Club immediately after the Skippers briefing at 1900, this will be followed by a crew supper for all Skippers and Crews.

On the following 2 days we will be racing around courses in Start Bay. On Saturday evening there will be a buffet dinner in the RDYC and following the racing on Sunday a Barbecue and Prizegiving. We will also be organising a parade of sail prior to Sunday's racing

The programme will also see the weekend's regatta linked to the Plymouth-Brest-La Rochelle race via a passage race from Dartmouth to Plymouth on Monday 11th. We look forward to seeing some of the yachts competing in that race coming to Dartmouth for our event.

The River Dart is a welcoming place for sailors with 3 marinas, numerous harbour authority berths and a full range of services including a regular yacht taxi service. All sizes of yacht can be accommodated. There are excellent shoreside facilities including good hotel and bed and breakfast accommodation with a full range of restaurants. So shore parties are very welcome to support the racing.

On behalf of the Royal Dart Yacht Club. I look forward to welcoming you in July 2016 and to a first class Regatta.

Peter Batts  
Chairman

## 4. MODIFICATION TO RULES

4.1. It is acknowledged that many classic yachts, having been built before the introduction of the ISAF Special Regulations, have difficulty in complying fully with the structural requirements of these rules. Owners of yachts which do not fully comply with the structural requirements are therefore required to make their best efforts to comply as fully as possible to the relevant requirements, with particular reference to cockpits (reg : 3.09), companionways and hatches (reg : 3.08), and pulpits stanchions and guardrails (reg : 3.14).

4.2. Any boat wishing to enter a race where the category of race requires them but has no guardrails must apply to the Organising Authority for a Special Dispensation as outlined in 4.2 below.

4.3. In the event of a boat without pulpits, stanchions or lifelines wishing to enter it must apply for a Special Dispensation and the skipper must sign a declaration stating that: "All crew will be fully briefed before each race on MOB drill and the importance and correct use of safety harnesses and lifejackets, that they will be required to wear and use them and be clipped on to clipping points or jackstays at all times while on deck when the vessel is underway before, during and after the race and special attention has been given to the correct use and placing of jackstays and static clipping points".

4.4. Sail Numbers.

4.4.1. Competitors must have either a valid national sail number or recognised class number. (ISAF and JCH rules). Further they must comply with Rule 77 and Appendix G of the Racing rules in respect of displaying these numbers on the mainsail and spinnakers. Where class insignia and numbers or national numbers cannot, or for reasons of authentic appearance the owner does not wish them to, be displayed on the sails as per Appendix G the entrant may apply for an exemption provided that the relevant identification laid out in Appendix G is displayed elsewhere on the yacht so as to be visible on both sides of the yacht in characters at least as high as those required on the sails. Such exemptions must be approved before the start of racing.

4.4.2. Appendix G requires the height of letters to be no less than: 300mm for boats less than 8.5 m; 375mm for boats from 8.5 - 11 m; 450mm for boats over 11 metres. Sail numbers on an overlapping genoa greater than 130% are optional (not a requirement, this modifies RRS Appendix G1.3(e)). If a boat is using a spinnaker with a different number, the organisers must be informed of that number before each race.

4.4.3. Boats without a national or class sail number must apply to their national authority for a number. In the case of French yachts a unique number for classic yachts may be obtained from the Yacht Club Classique online at <http://yachtclubclassique.com/wp-content/uploads/2014/02/Num%C3%A9ros-de-voile.pdf>. (For UK yachts application may be made to the RYA)

4.4.4. Sail numbers displayed elsewhere on the yacht must use black numbers on a white background. Failure to display numbers in accordance with the above will result in the boat being declared DNS - 'Did Not Start'.

## 5. ADVERTISING

5.1. Banners and flags of the event's sponsors approved by the organisers.

5.2. One sailmaker's mark per sail and one builder's mark on the hull may be displayed on both sides of the sail or hull and shall fit within a 150mm x 150mm square.

5.3. All such advertising must comply with ISAF Rule 20 - Advertising Code.

  - (g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear.
